Semester Project 2026 — Product Showcase

Official Presentation Schedule & Guidelines

Announcement

Dear Computer Programming I Students,

We are pleased to announce that the **Semester Project 2026 Product Showcases** for Computer Programming I are now scheduled. All groups are required to present their semester projects in **Prof. Lazarus Hangula Boardroom** to the Lecturer **Mr. Mathew Abisai** and a panel of reviewers on the dates outlined in this document.

Please read this announcement carefully and take note of your group's allocated date and time. Attendance on your assigned date is **compulsory**. Groups will **not** be rescheduled after the schedule has been confirmed.

Dress Code

The dress code for the showcase is **smart-casual**. You are expected to present yourself neatly and professionally, while remaining comfortable. Avoid overly formal attire; equally, casual or untidy clothing is not appropriate for a presentation environment. Think: clean, put-together, and confident.

Presentation Format & Time Allocation

Each group has been allocated a **20-minute presentation slot**, structured as follows:

Segment	Duration	Description
1	5 minutes	App Introduction — Introduce your application: its purpose, the problem it solves, and the key features. This is your opportunity to set the stage and capture the panel's attention.
2	5 minutes	App Demonstration & Comments — Deliver a live demonstration of your working application. Walk the panel through the core functionality clearly and confidently.
3	5 minutes	Panelists' Comments & Questions — The panel will provide feedback and pose questions to the group. All team members should be prepared to respond.

Important: The Individual Contribution Video must be prepared and it is strictly limited to **1 minute and 30 seconds**. It should clearly demonstrate what you personally built, coded, or designed — presented by you, in your own words. This will have to be included inside a blog section on your personal portfolio website.

Personal Portfolio Submission

DEADLINE: Sunday, 14 June 2026 — 23:59 (Midnight)

All students are required to submit their **Personal Portfolios** no later than **midnight on Sunday, 14 June 2026**. This is a **hard deadline** — late submissions will not be accepted unless prior arrangements have been made with the lecturer.

Your personal portfolio should include, but is not limited to:

- A reflection on your individual contributions to the semester project
- Evidence of your work (screenshots, code snippets, design mockups, documentation)
- A summary of what you learned throughout the semester
- Any challenges encountered and how you addressed them
- Your individual contribution video (or a link to it), matching what you will present during the showcase

Ensure that your portfolio is well-organised and clearly identifies **your own work**. Ensure that all the content communicated earlier in the requirements document for the personal portfolio is well incorporated. Submission instructions will be provided via the course communication platform.

Computer Programming I — Presentation Schedule

Week 1: 09–13 June 2026

Date	Group	Time	Session
Monday, 08 Jun	CP-G12	08:40 – 09:00	Morning Session
Monday, 08 Jun	CP-G15	09:30 – 09:50	Morning Session
Monday, 08 Jun	CP-G01	12:55 – 13:15	Afternoon Session
Tuesday, 09 Jun	CP-G11	08:35 – 08:55	Morning Session
Tuesday, 09 Jun	CP-G16	09:25 – 09:45	Morning Session
Tuesday, 09 Jun	CP-G05	12:00 – 12:20	Afternoon Session
Wednesday, 10 Jun	CP-G06	08:10 – 08:30	Morning Session
Wednesday, 10 Jun	CP-G07	09:00 – 09:20	Morning Session
Wednesday, 10 Jun	CP-G10	10:40 – 11:00	Morning Session
Wednesday, 10 Jun	CP-G14	12:25 – 12:45	Afternoon Session
Thursday, 11 Jun	CP-G13	08:35 – 08:55	Morning Session
Thursday, 11 Jun	CP-G08	09:25 – 09:45	Morning Session
Thursday, 11 Jun	CP-G04	12:00 – 12:20	Afternoon Session
Friday, 12 Jun	CP-G03	08:10 – 08:30	Morning Session
Friday, 12 Jun	CP-G09	09:00 – 09:20	Morning Session
Friday, 12 Jun	CP-G02	10:40 – 11:00	Morning Session
Friday, 12 Jun	CP-G11	12:25 – 12:45	Afternoon Session

Week 2: Monday, 15 June 2026 — Final Day

Note: Monday 15 June 2026 is the **final day** for all remaining and reserve presentations. Examinations commence on **Tuesday 16 June 2026**. No rescheduling is possible after this date. Specific group allocations for Day 6 will be confirmed following the completion of Week 1.

Date	Group	Time	Session
Monday, 15 Jun	CP Re-serve/Rema	08:40 – 09:00	Morning Session
Monday, 15 Jun	CP Make-up (if applicable)	09:30 – 09:50	Morning Session
Monday, 15 Jun	CP Make-up (if applicable)	12:25 – 12:45	Afternoon Session

General Rules & Reminders

- All groups must arrive **at least 15 minutes before** their scheduled time slot to complete setup and technical checks.
- A group that is not ready when called will be **moved to the end of that day's schedule**.
- A **second no-show** may result in a **penalty mark**.
- All presentations are to be delivered to **Prof. Lazarus Hangula** and the assigned panel.
- Examinations begin **Tuesday, 16 June 2026**. All showcases must be completed by end of day Monday, 15 June 2026.
- Individual Contribution Videos must be **prepared in advance** and must not exceed **1 minute 30 seconds**.
- Personal Portfolios must be submitted by **Sunday, 14 June 2026 at midnight**.

We look forward to seeing the work you have put into your semester projects.
Best of luck to all groups — prepare well and present with confidence.

Prof. Lazarus Hangula
